E-Poster Guidelines

- All posters should be a visual presentation of your submitted abstract.
- Please prepare a poster in a single-slide PDF file.
- Font size is specified in the sample e-poster. Choose Arial /Calibri or a font that can be read clearly at a distance. Put light-colored fonts on dark backgrounds or vice versa so that viewers can see the text clearly.
- Tables should be simple and easy to follow. Minimum font size for data in tables is 10 points. All graphs and tables must be embedded in your file.
- The legend of a figure should appear below the figure.
- Do not insert or embed any videos in your presentation.
- Remember, overcrowding a poster slide makes it difficult to read. Help your readers by providing clear labels or headings for each section of your presentation.
- Please include eight pertinent references at most.
- Please ensure that you have the permission to use any images you include in the e-poster. This includes a license for copyrighted materials and consent forms from patients who are recognizable in photographs or images.
- Financial interest, if any, must be disclosed and included in the poster. Presentations made at the Congress must not be used to promote a commercial product.
